## CUSTOM AMENITY BUILDINGS FOR SHOWGROUNDS AND CLUBS

Image above: Olympus Custom Shelter Toilet Buildings for Hinchinbrook Council. This project included a service area which is located at the back of the building and incorporates hidden cisterns.

With Modus Australia's Toilet Building's adjustable modular floorplans it is easy to accommodate the sports clubs and showgrounds unique requirements. Amenity buildings include: toilets, showers, laundries, storerooms and service areas. The public amenity buildings facilities cater for universal access requirements to ensure services are available for all levels of mobility. Modus Australia's buildings are robust, easy to clean and cost effective.
